### Sonnenberger receives his MAI Designation

**Buffalo, NY, September 1, 2015:** Eric J. Sonnenberger, Partner of Emminger, Newton, Pigeon & Magyar, Inc. receives his MAI designation from the leader of the real estate valuation industry, the Appraisal Institute.

The MAI designation is conferred by the Appraisal Institute upon active appraisers who are experienced in the valuation and evaluation of commercial, industrial, residential and other types of properties, and who advise clients on real estate investment decisions.

The MAI designation is granted upon the successful completion of a graduate-level curriculum, which includes a comprehensive exam, a peer-reviewed written demonstration appraisal report, and peer-reviewed work comprising over 4,500 hours of qualifying experience. Designees must abide by both the appraisal profession's Uniform Standards of Professional Appraisal Practice (USPAP) and the Appraisal Institute's Standards of Professional Practice and Code of Ethics.

Joe Emminger, President of Emminger, Newton, Pigeon & Magyar, said that "Eric exemplifies the best of ENPM, Inc., and we are proud to see him and our other appraisers continually expanding their expertise. High quality appraisals and appraisers, which the MAI designation is a symbol of, are at the core of our business and Eric attaining the designation is recognition of not only his efforts, but also his work ethic and character."
